Press Release

Steinhausen, 21. September 2023

swisspor Group announces an agreement to acquire CREATON Polska sp. z o.o, CREATON South-East Europe Kft. and the Austrian Business of the CREATON GmbH.

swisspor Group, a distinguished provider of energy-efficient building envelope solutions, is happy to announce the signing of a binding agreement to acquire CREATON Polska sp. z o.o, CREATON South-East Europe Kft. and the Austrian Business of the CREATON GmbH from the Terreal Group.

These strategic acquisitions are a significant step in our unwavering commitment to expanding our footprint, and in doing so, delivering exceptional building solutions characterized by both efficiency and aesthetics. swisspor Group's acquisition exemplifies our dedication to elevating construction and building services, further enhancing our product portfolios in these pivotal markets. The integration of these entities into the swisspor Group consortium will empower us to harness their extensive expertise and localized insight, thus enabling superior service to our esteemed clientele and valued partners.

It is imperative to underscore that, at this juncture, the acquisition process remains subject to the requisite approvals from relevant regulatory authorities. We are diligently collaborating with these authorities to ensure a seamless and successful transition. swisspor Group steadfastly upholds our commitment to absolute compliance with all pertinent regulatory prerequisites, and we will continue to extend our utmost cooperation to expedite the approval procedure.

We are confident that this merger will bring discernible value to our organization, reinforcing our standing as a trusted supplier of energy-efficient and aesthetically-superior building envelope solutions within the region. In the weeks ahead, we eagerly anticipate sharing more extensive insights and progress updates as we advance through the integration phase.
